### One, Two Never Get to Three

One, two, never get to three  
If you wanted me  
Surely you would see  
What I can be  
What I can be

One, two, never get to three  
I want you and me  
What I know I need  
What I can be  
What I can be

One, two, never get to three  
You're a dream to me  
I would never leave  
What I can be  
What I can be

One, two, never get to three  
If you wanted me  
Surely you would see  
What I can be  
What I can be

One, two, never get to three  
I want you and me  
What I know I need  
What I can be  
What I can be

You know, I fell in love with you  
And for the first time in my life, I don't think I can live without you

One, two, never get to three  
You're a dream to me  
I would never leave  
What I can be
