You Make Me Feel

You make me feel incredible
You make me feel delectable

And I want you, need you, to touch you
And I want you, need you, to touch you

You make me feel adorable
You make me feel capable

And I want you, need you, to touch you
And I want you, need you, to touch you

You make me feel compatible
You make me feel available

And I want you, need you, to touch you
And I want you, need you, to touch you

You make feel desirable
You make me feel impeccable

And I want you
