### **You are Mine for Life**

You are mine for life  
You are mine

You came to me  
Opened the door  
I let you in  
I know the score

You are mine for life  
You are mine  
You are mine for life  
You are mine

You came to me  
Opened the door  
I let you in  
I want you more

You are mine for life  
You are mine  
You are mine for life  
You are mine

You came to me  
Opened the door  
I let you in  
I want you more
