Under Your Control

I'm caught in your web
Thoughts of you in my head
No more tears rolling down
No more love to be found

I need an affair
Keep the love that is there
Make believe I am yours
I kneel down on all fours

I'm under your control
I need to give you all of me
I'm under your control
Give me what I need
Give me what I need
I'm under your control

I dream of your kiss
Your body I would miss
I like the way you feel
Your touches I would steal

Hold on darling
Hold on darling
Hold on darling

I'm under your control
I need to give you all of me
I'm under your control
Give me what I need
Give me what I need
I'm under your control
